

HONORABLE ORDER OF THE BLUE GOOSE INTERNATIONAL

# ARIZONA POND

Character . Charity . Fellowship

---

## FACT SHEET

- The Honorable Order of the Blue Goose was founded in 1906 at the annual meeting of the Wisconsin Field Men's Club held at the Oakwood Hotel in Green Lake, Wisconsin.
- The founding members looked to improve the perception of the insurance industry by creating an organization that stands for character, charity, and fellowship.
- Today Blue Goose consists of over 4,000 members or "Ganders" in Ponds throughout the United States and Canada.
- All employees of the insurance community are eligible for membership. The full spectrum of the field is represented in our Ganders. Our mutual link is the career experience we have in our chosen fields.
- Incorporated in 1955, the Arizona pond provides needed support for a variety of local Arizona charities and those in need.
- We hold a variety of events year-round for the purpose of fellowship and charity. Please visit our website for more information.
